ANGEBOTSLISTE 1 (Wertmarken nach Orten A–Z)

Stand 23.3.2025

Der Autor und Wertmarken-Sammler Peter Menzel möchte sich von Teilen seiner über Jahrzehnte aufgebauten Sammlung von Marken und Notmünzen trennen.

In drei Angebotslisten hat er fast 2000 Münzen und Marken zusammengestellt.

Alle Angaben sind ohne Gewähr, Irrtümer sind vorbehalten. Die Listen werden nicht aktualisiert, d.h. es kann sein, dass bestimmte Stücke inzwischen bereits verkauft sind:

Wertmarken nach Orten A-Z (Liste 1)

Wertmarken aus der DDR (Liste 2)

Wertmarken der Flotte / Schiffsgeld / Flottengeld (Liste 3)

Die Angaben in den Listen sind gekürzt, daher sollte sein Katalog der Notmünzen und Geldersatzmarken hinzugenommen werden. Die einzelnen Teile dieses Kataloges stehen [hier](#) zur Verfügung.

Die Erhaltung der angebotenen Stücke ist in der Regel überdurchschnittlich. Die angegebenen Preise sind die Katalogpreise für eine durchschnittliche Erhaltung. Wegen der besseren Erhaltung erfolgt bei Verkauf einzelner Stücke ggf. ein **Preisauflschlag von bis zu 100 Prozent!**

Bei Nichtgefallen erfolgt eine Rücknahme!

Bestellungen bitte ausschließlich per Mail an petmenz@t-online.de
